Explanatory notes

General

You can use this form to request a reduction in your monthly student debt repayment amount. We use your income in 2022 to calculate how much you have to repay each month. Please fill in this form completely and submit it with the correct supporting documents.

In order to be eligible for an earning capacity assessment you must first have applied for a payment scheme and an extension of the repayment period to 10 years. You can do so using the FINEB loan payment scheme application form.

Commencement date

This request to reduce the monthly amount applies to the 2024 calendar year. If you apply before the 1st of January, any reduced monthly amount will apply as from the 1st of January 2024. If you submit this form after the 1st of January 2024, any lower monthly amount will apply as from the month following your application.

At 2 Earning capacity assessment

We calculate your monthly amount on the grounds of your annual income. Therefore, please provide information, and requested supporting documents for the entire year, as supporting documents you must include a statement from the tax department.
